

## Only a Cold.

Are you ill? is often answered—"Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off. Adv.

## A Good Cough Medicine For Children.

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold. Adv.

The reports on the Red Cross so far show \$626.30 collected; for the Provident Association, \$228.40. All committees have not reported, but it will be necessary to make the strongest effort possible to bring the amount up to what is the very minimum needed for the work.

## This Means You.

When you get up with a bad taste in your mouth, a dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion. Adv.

Wentworth academy cadets under the leadership of Mrs. Gibbons raised \$91.25 for the Red Cross. Fine work, Wentworth.

## Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion. Adv.

## WHEN EVERY MOVE HURTS

Lame ever morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbor.

Mrs. Paul Frischer, 1114 S. W. Boulevard, Lexington, says: "Two years ago my kidneys were in a weak condition. Sharp pains struck me in my back and I suffered severely. When I stooped or lifted anything I could scarcely straighten and I was often so lame and sore I could hardly go on with my work. I had dizzy spells and would become so faint that I would often have to sit down. I had frequent nervous spells and became much worried about my condition. Doan's Kidney Pills had been used by other members of the family with great success so I got a few boxes at Crenshaw & Young's Drug store and they quickly relieved me of all the trouble. Doan's Kidney Pills are certainly a splendid remedy."

## The Busy Housewife.

The busy housewife who finds more things to do than she can crowd into a day's time should find our half finished family wash plan a great help. What we mean by half finished is, all washed nice and clean, and half of the wash is ironed. This leaves only a few starched pieces to iron at home. Think of the many things you could do while you would be ironing big table linens, sheets, etc. These with all other flat pieces are ironed ready to use. Its a mighty good service. Try it.

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is
